

Ann Vermette
District 18 Saskatchewan Representative

Ann started her ACBL membership in 1988. She enjoyed playing bridge so much that she became a director in 1989 and the club manager around 1990. Due to work demands Ann left the bridge world. However, the love of the game and competition kept her coming back. Now that she is retired, Ann has the time to delve into bridge and hone her abilities at the table. Serving bridge players on the District level is an exciting opportunity for her because Ann thoroughly enjoys this aspect of the ACBL organization.
