

Jana Willcoxon

## New ACBL NABC Master

Jana's goals were achieved with the help of the great teachers ( Vickki Shelley, Elizabeth Jamieson, Dave and Terry Waterman ,Richard Glass and Ron Smith ) and the kind and very patient partners. It's also been a lot of fun on her part. In order to achieve her Life Master she is missing a lot of gold and silver. The Regionals are too difficult and expensive for her to attend for more than a day and they are too far to drive in a day. She feels the same for Sectionals. Jana wishes BBO had tournaments for Gold and Silver. Jana is looking forward to learning and playing more bridge in the future and wants to see what works out. District 18 has been great for everyone in St. George. Thank you for everyone's help and participation.
