

I have been an ACBL member for approximately 40 years and am a silver life master. Past service to the Unit includes being the co-chair for the 2008, 2011, 2014 and 2023 Salt Lake Regionals and publicity co-chair for the 2005 Salt Lake Regional. I have served on the Unit Board of Directors numerous times as vice president and President.

My work experience includes policy maker working for the United States Air Force in Washington D.C., supervisor and business owner, and have served on the board of directors for several organizations. I am an avid bridge player and am excited to serve on the District 18 Board of Directors.
