

## New Regional Master

### Lyle Markowski

Lyle started playing bridge Thursdays in Oct of 2017 at the Saskatoon bridge club. In the afternoons there is a master/nonmaster game. In the evenings there is an under 100 game with mentors at each table. The evenings are arranged by Sharon Stevenson and Cathy Walsh who make the evening comfortable for beginners. They also organize lessons on various aspects of bridge which are very useful. The program retains a lot of beginners who might otherwise give up the game. Lyle has to thank both of them and the table mentors who show up each week to help.

On Thursday afternoons Peter Galesloot was Lyle's mentor. He thanks him for his time and dedication in showing up Thursdays in order to help.

In addition to this Lyle and Janet, his wife, attended several local tournaments which were a lot of fun and quite comfortable, even if they were neophytes in the room.
